“ Shirley was one of a kind, she was my second cousin who I met when I was in the 9th grade. Over the years we found each other again, and we could talk for hours, like we just left off from yesterday. She was so funny and showed so much love! I will miss her dearly! My heart aches for all her family but she is at home with our Lord!

“ Shirley I will miss you until the day I die. You have been the best friend I have ever had Vern got the best when he got you. We were just alike Two peas in a pod. I will never forget when we both went blonde and didn't tell each other. We met at Casa and had a good laugh because we were going to surprise each other. I Love you so much and it will never be the same again .rest in peace my sweet Shirley.

“ Shirley was my best friend. Had not talked to her in awhile. I have not been up to getting out and doing things so we only talked over the phone. I will always love and remember her. She was a very special lady.
